To a really special friend, you a great person
 to talk to, when ever someone needs someone
 to talk to, I'm really glad you and I ended
 up being really close friends, if I don't go
 to Sacramento this summer, you better
 not be stubborn, and not call me, cause
 if you don't call me, I'm going to be so
 mad at you, cause theres alot of places
 we have to go this summer, well
 I guess I'll quit writing, before you
 think I'm writing you a Nobel
 prize letter and cute, and she very
 nice person you are, and remember
 you'll always be a special friend to
 me.

Love always

Scattered pictures
Of the smiles
We left behind,
Smiles we gave
To one another
Of the way we were.

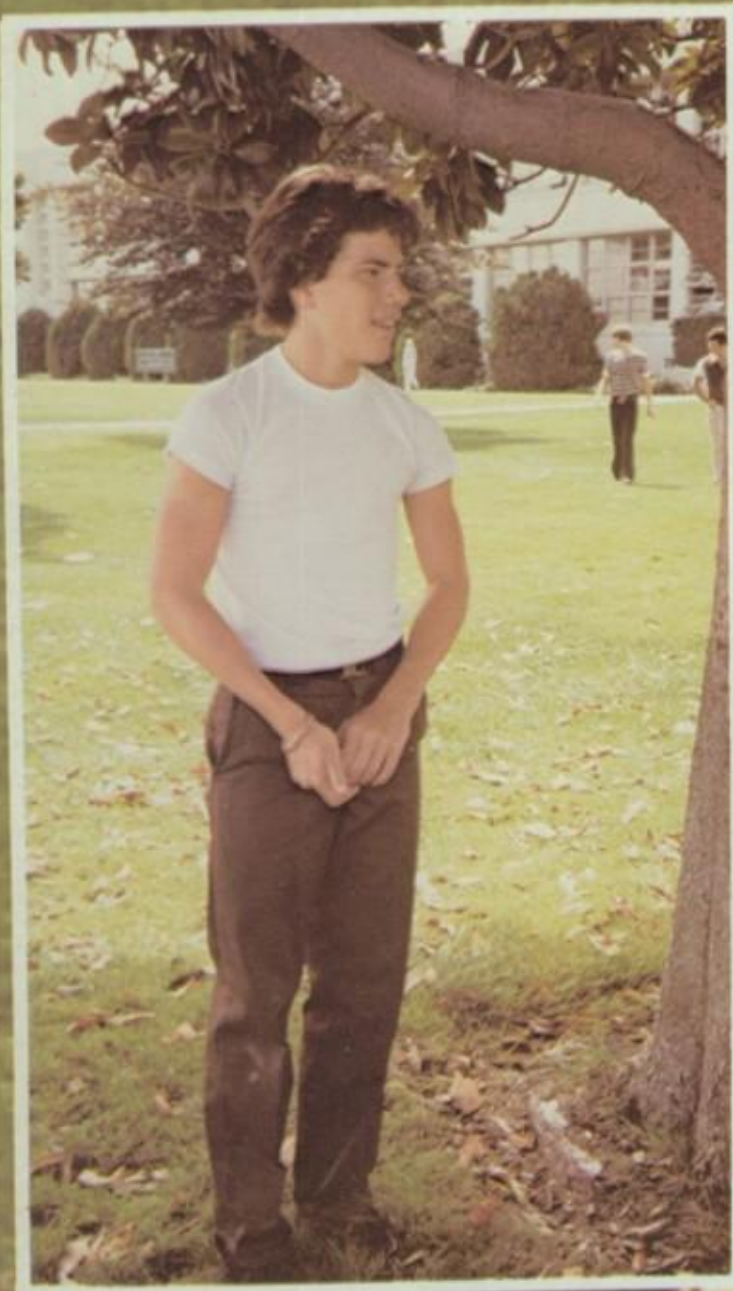

Can it be that life
Was so simple then,
Or has time
Rewritten every line.
If we had the chance
To do it all again,
Tell me,
Would we,
Could We.

Memories
 May be beautiful
 And yet,
 What's too painful
 To remember,
 We simply choose
 To forget.

So it's the
Laughter,
We all
Remember.
Whenever we
Remember,
The way we were.

VARSITY BASEBALL

Baseball, headed by Tim Woods and assisted by Dave Zimmerman, should be strong again in 1981. There are five seniors on the team, three of which are tri-captains - Mickey Ujevic as catcher and pitcher, Bobby Leonis at short-stop and Danny Vaquero on the mound and at first base. The fourth and fifth seniors are Pete Garcia, 3rd base and Jeff Williams in the out-field. Nine juniors, all good players make up the remainder of the team with people such as Steve Rocha, Frank Rebozzi, Jeff Rogers, Lupe Nieto, Roy Lopez, Gary Garcia, Rick Montoya, Brett Mattos, and sophomore Joe Saraira.

The Lions plan to improve on their 8-6 STAL record of last year and should be near or on top at the finish of the '81 season.

CROSS COUNTRY

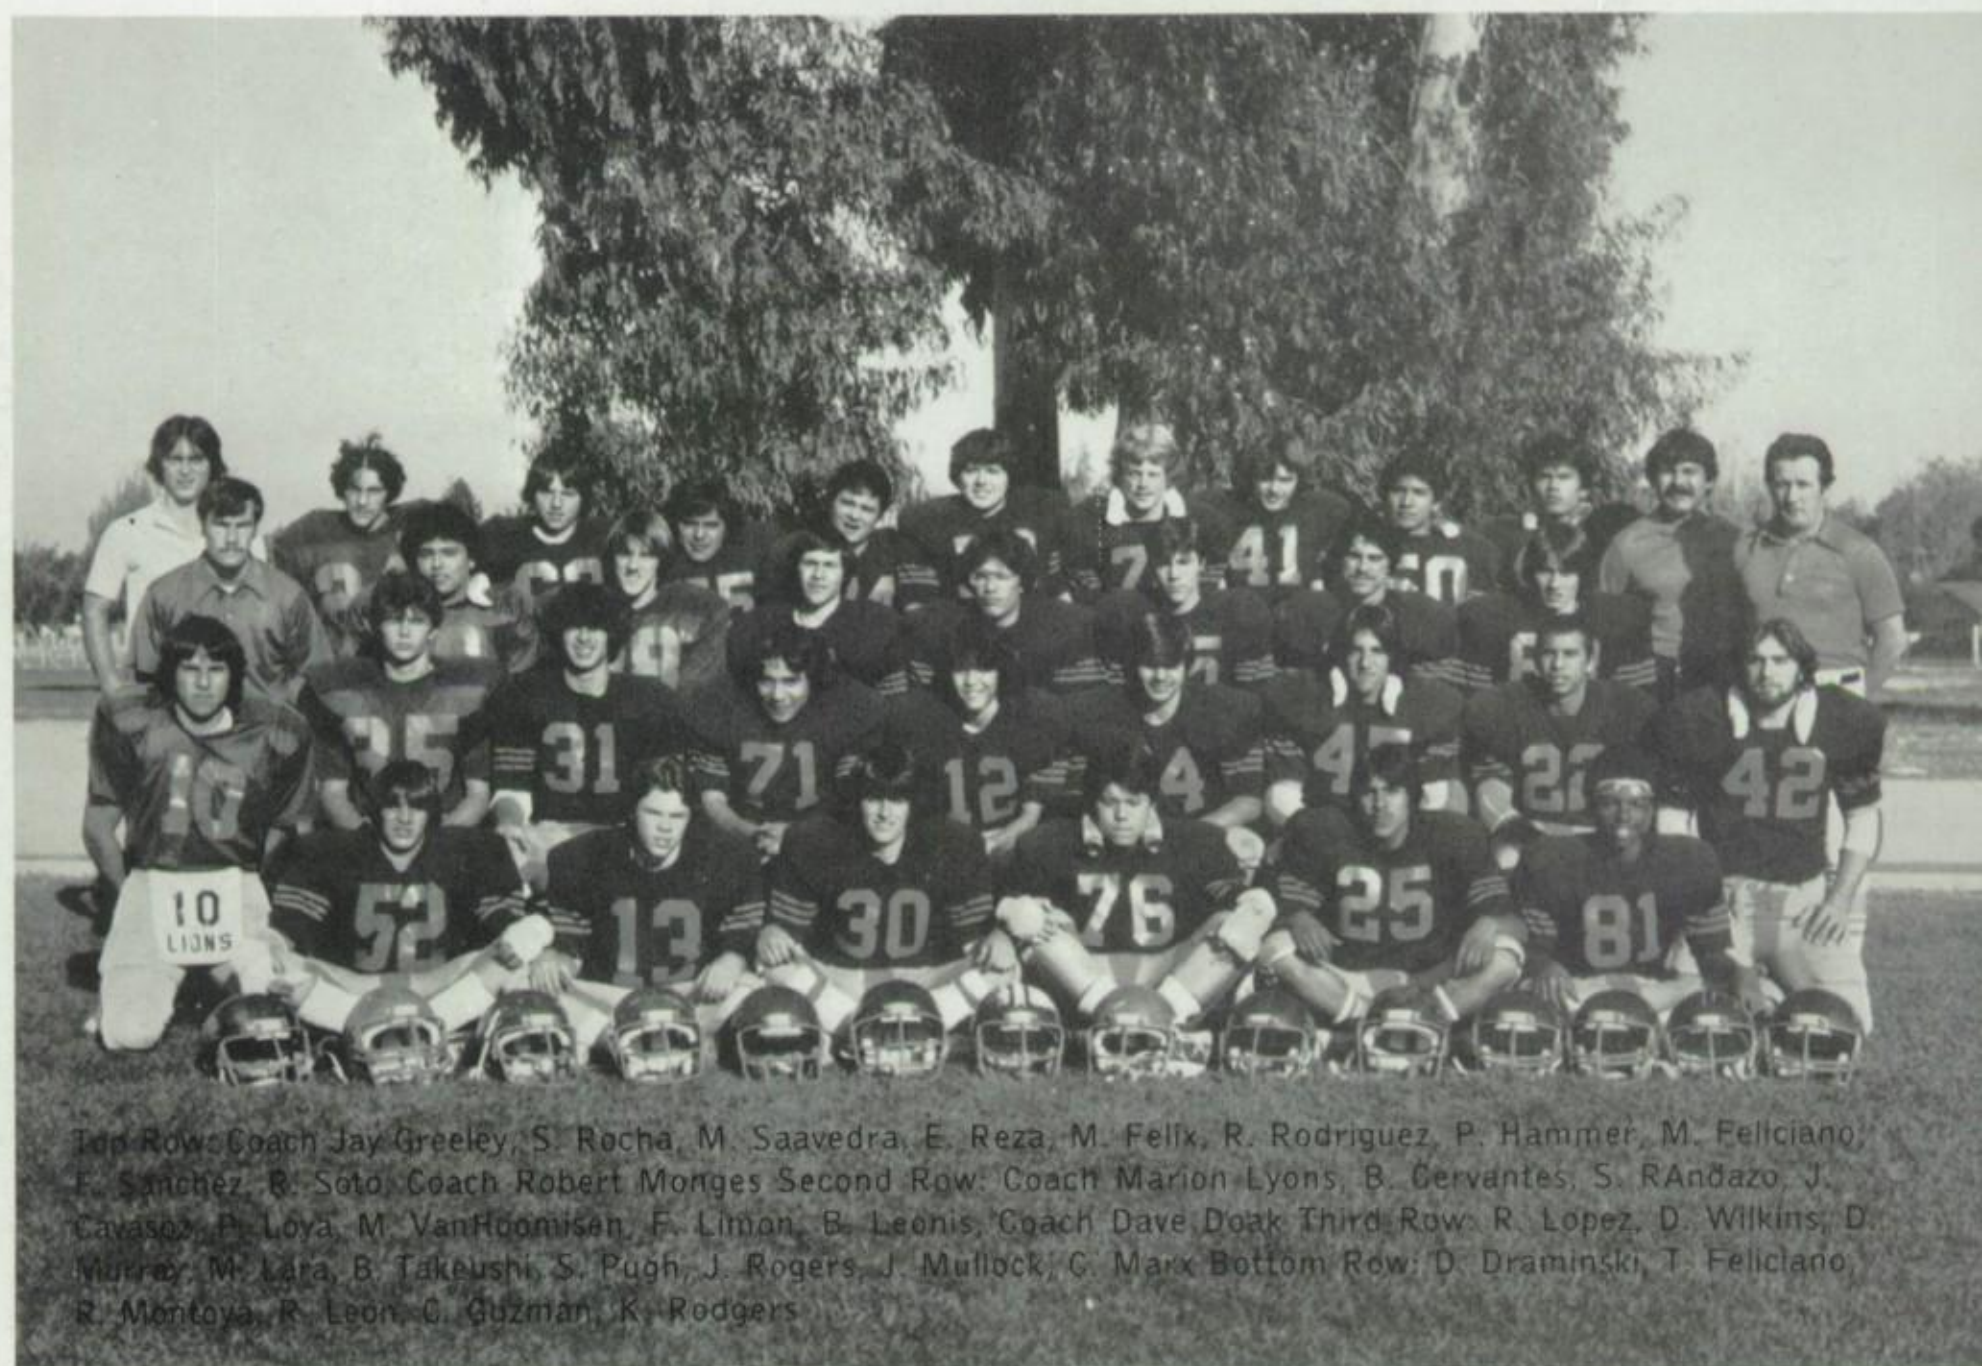

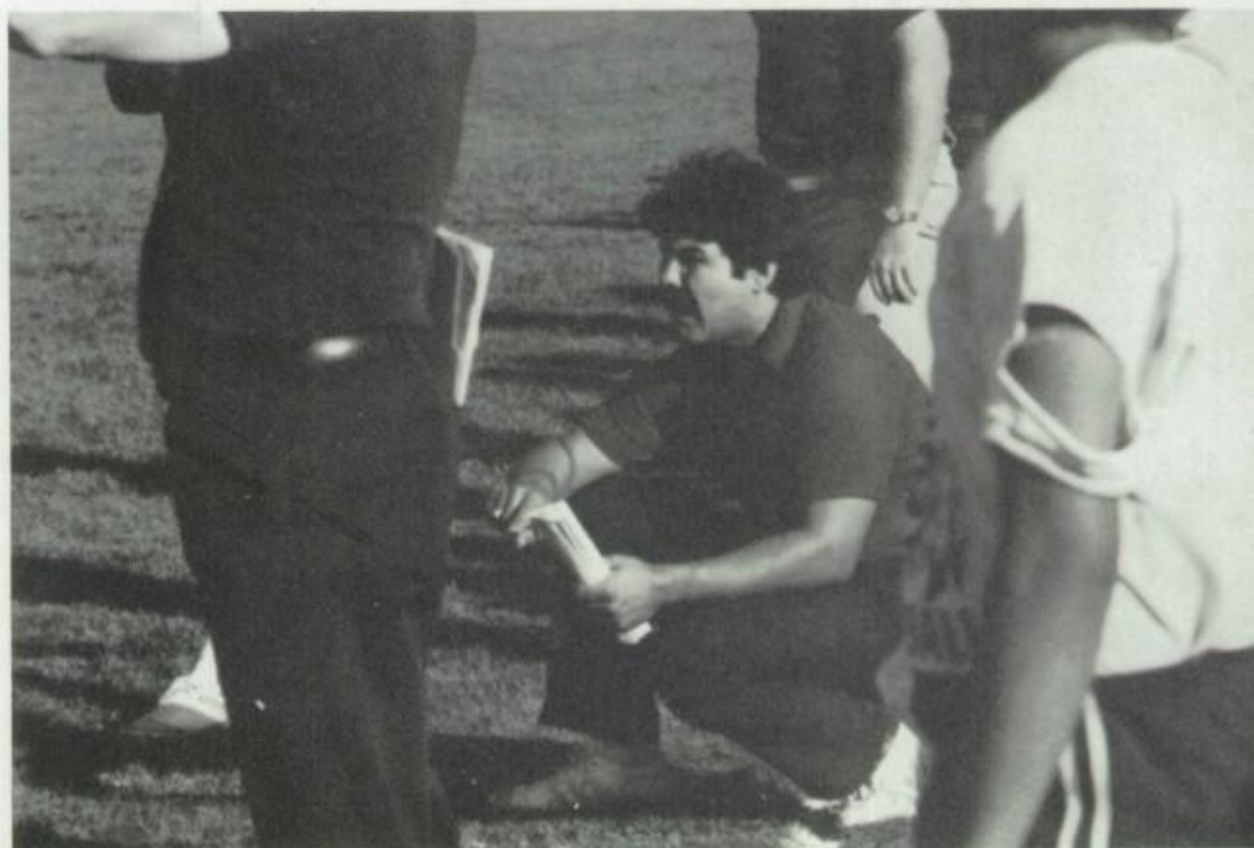

The cross country team continued to improve this season moving up two places in the varsity and fielding a frosh-soph team for the first time in two years. The frosh-soph and varsity teams finished third in the league. Carl Franco led the varsity and finished fourth in the league and seventeenth in the regionals. He was selected as the team's most valuable player and Juan Escabedo, team captain, was selected most inspirational.

The frosh-sophs were led by Mark Reynolds, Martin Souza, Dan Reynolds and Steve Partida. All received trophies. Toni Fernandez was special in the girl's league. The team's greatest success came at several invitationals including Del Mar, Soquel, and Crystal Springs. Many of the team members received awards. We look forward to continued success next year.

You can measure a team by the way it responds to a challenge. The challenge this year was two fold. One was to field a Varsity team after a one year hiatus, and two, to overcome experience and size. This team met the challenge.

If the season were to be crystalized in one game, then the Gunderson game got the nod. It was by far our finest effort. Behind the fine blocking of our offensive line, the lions out gained Gunderson 392 yards to 189. Lopez attempted 38 passes (a season) completing 28 passes for 275 yards. But in the end victory was not realized, once again we fell short 21-20.

1980 could be considered in some eyes to be the first step along the road for Lincoln's drive to be a league contender. Should it happen, remember the 1980 team that at least set a path for others to follow. As coach, I'd like to thank Dave Doak, Gary Conlin, Jay Greeley, and Marion Lyons for all their help.

SWIMMING

In its Swan Song season, Lincoln High School's Swim Team wishes to express our sincere gratitude to the memory of Con Mendler, through whose generosity, the Lincoln pool was made possible some three decades ago.

The team experienced great personal growth during this atypical season. Senior Mark Van Hoomissen, finishing out four years of swimming here, reached the peak of his personal performance.

With some competitive help from Willow Glen, Mark swam to fastest time in the 100 breaststroke and in the 50 free.

Junior Jess Gonzales, back after a year's hiatus, showed improved strength and stamina, while swimming ever faster in the 50 and 100 freestyle.

Sophomore, Susan Van Hoomissen, and Freshman, Lynley Yoshikawa, rounded out the team in its final year of competition.

-Coach Shannon

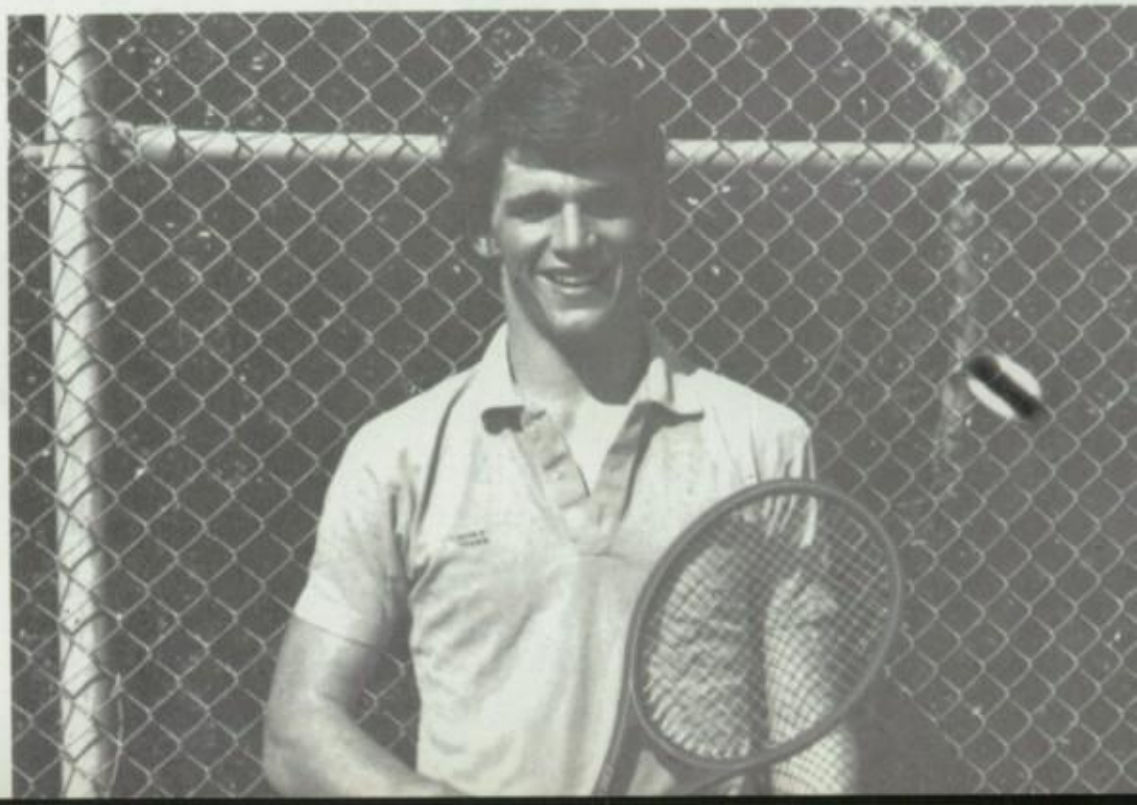

BOYS' TENNIS

The 1981 tennis season began with successful and exciting matches with Wilcox, Oakgrove, Pioneer, Gunderson and San Jose High Schools. With just half the varsity team returning, new blood came mostly in the form of enthusiastic sophomores such as: John Tinoco, Frank Fernandez, Minh Nyguen, David Draminski, Doug Habib, and Mike Loya. If most of this year's players continue to return each season, Lincoln will have a very competitive team in the coming years.

Track coaches Al Russell and Kris Morrella along with the assistance of Robert Monges were in one of those enthusiastic building years that emphasize peaking toward league finals, individual accomplishment, and character building. Long distance runner Carl Franco was outstanding. Promise also came from Robert Acoraci in the relay, and from Kathy Trowbridge, girls' sprinter.

Most exciting was the potential for the future. With about fifty runners, many of them freshmen and sophomores, the team was thrilling to follow; and, there was finally a girls' team of significant numbers. With all members working hard, this year's track and field team met its goals and built a strong foundation for the future.

VARSITY AND J.V.

Our Varsity was coached by alum Toni De Bella who did a great job. Ollie Lyons was team captain and the only senior on the team. The girls went 4 and 8 this year. Girls returning for next year will be Hali Hammer, Sonya Matthews, Sandra Bergman, Buba Gonzales, Gloria Flores and Irma Manzo. Look out, here comes Lincoln Volleyball.

VOLLEYBALL

A very successful season is what happened to the Lionette J.V. Volleyball team. They had a season record of 7 and 5 with every girl on the team playing a major role. Led by a captain and all league Marlene Tellez along with Tracey McQuay, Lisa Ramos, Jennie Carter and hoards of others. The girls played great as their record indicated.

BIG BONE SPIRIT

Spirit during the Big Bone week soared to its highest peak this year, and was one of the most outstanding events in Lion history. There were many activities during the week prior to our annual Big Bone game. Special days were set aside for dressing as kids, punk rockers, and wearing unique toga and Hawaiian outfits. Our very first rally for parents was held. The traditional exchange rally with rival San Jose High was also part of the gala festivities.

FALL PLAY

This fall's all school production was William Gibson's biography of Helen Keller, *The Miracle Worker*. The principle parts were played by Kara Doten, Helen Keller, and Janet Martin, Annie Sullivan. Helen's parents were played by Curt Stewart and Carolyn Lutz. Britt Tronney played Helen's half brother James. Also appearing in the *Miracle Worker* were Kate Kester, Tina Alvarez, Yvonne Rios, Tim Tobias, Ted Bundesen, Kathy Inwood, Tony Villalba and Elvira Villareal. Bill Wood served as stage manager. The play's director, Mr. Jack Edwards, said that he was particularly happy to find so many really talented freshmen, especially with the increased emphasis in fine arts at Lincoln. He also said that he is glad that he, successfully attempted such a fine script, and that such a great group of young people made up the cast.

This year's Halloween rally took place Friday, Oct. 31, 1980. Over 35 people entered the contest dressed as everything from a bride to an Oreo cookie. Don Carlson won the Samurai outfit, and Mr. Ramirez dressed as a housewife, and won the award for best portrayal of character.

RALLIES

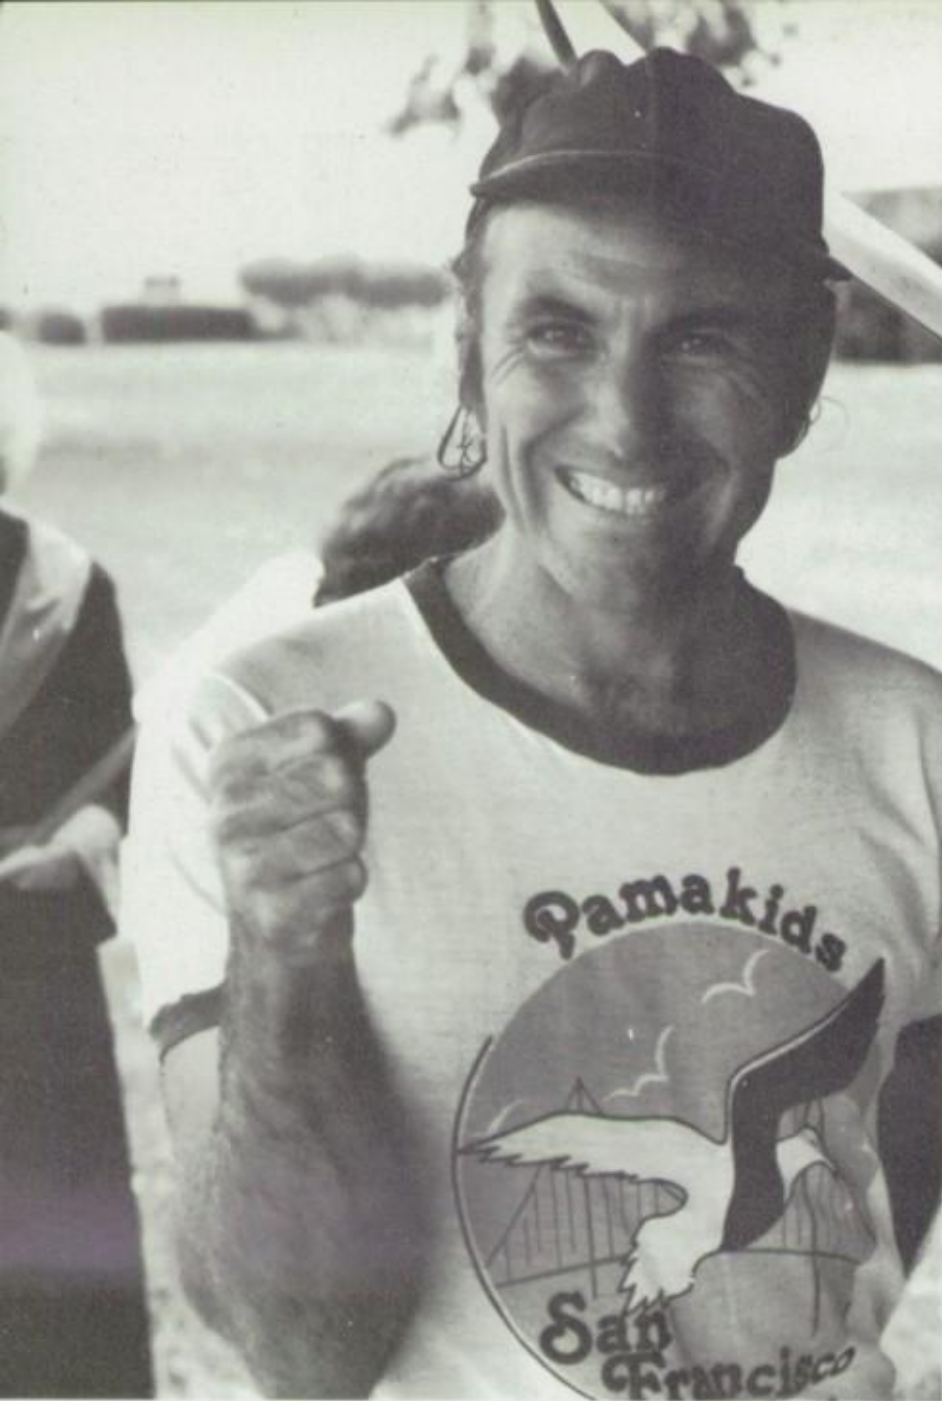

Rallies have always been one of Lincoln's spirit raising traditions. The student body watches all of the excitement going on, whether it's Joey Jacob leading the band or Robert Monges rooting for the school.

Because of the teachers' strike, the usually scrambled and frantic registration for classes was limited and chaotic. The majority of Lincoln students stayed away while their teachers walked the lines. Most significant registration was later handled by the counselors. This year, however, after the strike was settled, students were given the option of a six period day. Finally, school really began and the campus returned to normal.

TO REG DAY?

BIG BONE ROYALTY

Our Homecoming Court was crowned Nov. 14, 1980 during the Big Bone Ball held at San Jose High School. They were selected by the student body in an election prior to the dance. This year's royalty was second prince, Jeff Williams, second princess, Yudelia Guerrero. The first prince was Bobby Leonis, first princess was Veronica Cantu. Big Bone King and Queen were Danny Vaqueiro and Teresa Campos.

SADIE

This year's Sadie Hawkins according to tradition was held in October. Most went to the dance to get married and to take their "wedding pictures." Playing a variety of music was the band "Los Paisanos." This year's King was senior, Robert Leonis (not pictured) Hector Sanchez De Tagle, Jose Marquez, and Trent Randall were runners-up to Robert. All nominees were chosen by the Spirit Leaders. The Sadie Hawkins was much enjoyed by those who attended.

THE LINCOLN CENTER FOR THE CREATIVE AND PERFORMING ARTS

The "Magnet" School is a new and exciting concept which is unique in the San Jose Unified School District. The first high school magnet, The Lincoln Center for the Creative and Performing Arts, was opened at Lincoln High School on January 26, 1981. The Lincoln Center is designed primarily as one approach to voluntary desegregation and offers a wide variety of classes.

The Lincoln Center staff is comprised of Mrs. Mickey Long, Principal; Dr. Don R. Carlson, Resource Coordinator; Viv Andres, Art and Crafts; Ramiro Barrera, Jazz and Instrumental Music; Jack Edwards, Stage Technology; Patty Erlendson, Swing Choir and Vocal Ensemble; Galen Lemmon, Strings and Percussion Ensemble; Josie Lugo, Academic Skills; Connie Lukeian, Choir; Trish Lynch, Photography, Calligraphy, and Graphics; Ruth Scott, Costume Design and Construction; C. Michael Traw, Musical Theatre and Acting; Laurie Tvedt, Student Teacher; and Stan Wahcolz, Ceramics. The Project Secretary is Julie Thomas, and the Instructional Aides are Kathy Gullo, Norma Hughes and Ellie Perez.

Students from Bret Harte, Gunderson, Leland, Markham, Muir, Pioneer, San Jose, Steinbeck and Willow Glen are taking part in the program.

ALTERNATIVE

This past September we entered our second year on the Lincoln campus. The alternative school concept is not new. It has been around for years. The alternative school program provides the student an educational experience beyond the spectrum of the traditional classroom situation. The emphasis of the program is on the effective means of self-motivation. Providing an opportunity to those students that want to help themselves achieve their goals. The success of the program has been largely due to the work of head teacher Kathy Eaton with invaluable help from Robert Monges and the cooperation of the Lincoln High School Administration.

The Young Families Program is a special support program for high school students who are parents. Located by the Media Center, our two buildings provide space for 43 children age 4 weeks to 3 years. Our 44 parents attend Lincoln High School and also participate in Parenting Lab. The staff of Y.F.P. is very proud of our young parents and goals they have for themselves—graduating from high school and learning about parenting.

I was on the yearbook staff for three years, and I never realized the responsibility of a staff person until my fourth year. Then I was given the title of "Editor" but dart board would have been a more appropriate word. I really didn't know what I was getting myself into. First, I had to find the right people to make up the staff. As I was doing this, it occurred to me that there were no so-called right people. (Maybe one or two.) It was then that I decided all I needed was dedication. That's a pretty big quality if you think about it. Someone who'd give up time and energy to make other people happy. I didn't care after while if anyone could draw, make layouts, type or take pictures. I needed people to be in class every day in order to learn. Well, I guess I didn't need too much dedication because the book arrived - don't ask me how. I yelled a lot, and I made a fool out of myself plenty of times. I also bumped into a lot of chairs as only an editor could do.

As I look back on the year, I wonder how I kept my sanity. Some people say that I didn't, but whether I did or not is probably due to cookies and ice cream picnics. Every time I turned around there was something else to do. I couldn't even keep up with myself, let alone everyone else. I only hope that the staff members understood my attitudes about the book now that it's all over.

I remember Tony asking me if I was going to thank anyone in my Editor's note; he thought it was a stupid idea. I said, "No" but it is just like me to change my mind at the last minute. Here then is my special thanks to those special people who mean so much to me and the production of this book. These are the ones I love for their help and dedication.

BEEBS - There's so much you've given me such as confidence that everything would be all right and when it wasn't, you trusted me to make it right. I know every year is different for you, and I hope this year will stand out in some special way. I love you Beeps for your patience, concern and often needed humor.

PAUL AND MICKEY - What would I have done without you besides cry? Thank you ever so much for working to keep Lincoln's Monarch from dying. Every time I called you late, you'd do your best to get pictures back early.

MARCELINO SANCHEZ - (Marce) Thanks for working late at night and drawing things we ended up never using. Thanks also for getting to school, even if you sometimes had to push your motorcycle. I'm glad we stayed friends, luv ya!

TIMOTHY ALEXANDER - Thank you for being so anxious to take pictures at any cost! But seriously—I know you had other things to do and I understand. I hope you may have fooled me.

TONY VILLALBA - Thanks for your help in the "Work as you would be led" section, even though at times everything wasn't so continuous or planned.

NANCY BAKER - I especially want to thank you as the kind of person who could work with everybody and get the job done with a smile.

To the remaining staff members: Maria, Felix, Teresa, Tanya, Sylvia, Tisha, Monica, Gina, Robert, Tony, Francisco, and Larry. You're the ones who really contributed to getting the book here on time. I thank you for your time and generosity.

Mark - Thank you for all the terrific help and charming patience. You'll never know how much we appreciated you.

Special thanks to everyone who had something to do with the production of this book. Whether it was Mr. Anderson or El Jack taking pictures, Eddie running errands, or coaches making time to take pictures that we already had somewhere. I appreciate your help in the making of the Monarch. Without you we would not have the book.

I'd like to tell all the staff members that when I yelled or cussed or did other peoples' work, or anything else, the only intentions I had were to have an excellent book. I just didn't know any other way to do it. We had to work extra hard because of the teachers' strike which put us behind our deadlines. At least I can say that I tried. One last thing - a good staff doesn't need luck. It needs patience, cooperation and the ability to sincerely listen to the ideas and feelings of others. This is what I wish for the 1982 yearbook staff. May God be with you.

Love to everyone,

Carol Lutz

to Billy,
A really special
friend. Thanks for talking to
Adam about me. Although
it didn't work. But, I found
someone new. I'm not sure
about him though because of
all that has happened. But
thanks for everything Billy.
Have a great summer. And I
hope I see you next year.
Keep in touch - 294-9135.
